Dated 20th May 1929.

It is hereby notified for the information of the residents of Arsikere Town, that the owners of dogs are required to muzzle each dog in such a way as to allow the dog freely to breathe and to drink, while effectually preventing it from biting, wherever it is allowed to be found in the streets, not being lead by some person. In addition, a collar with the owner's name and address thereon may also be put around its neck. The Municipal Council will take possession of any dog found wandering unmuzzled in any place and will either detain such dog for three days or cause it to be destroyed at once if it is found to be rabid. The owner, if any, of such dog has to claim its ownership within three days of its detention and pay all the expenses which might have been incurred therefor by the Municipality. In case the dog is found to be wearing a collar with the owner's name and address thereon, a notice will be issued to such owner intimating the fact of detention of his dog. Any unclaimed dog, the owner of which refuses to pay all the expenses of its detention will be sold or destroyed after having been detained for the said period of three days. All expenses incurred by the Municipal Council for this purpose will be recovered from the owner of such dog in the manner provided in Chapter VIII, of the Municipal Regulation.
